SUPPORTING YOUNG AND
EMERGING MUSICIANS AND ARTISTS
IN THE CLASSICAL ANGLICAN
TRADITION

CHORAL SCHOLARSHIPS

The choir of Saint John's Finch Street is one of the finest Anglican church choirs in Melbourne. Nevertheless, it is distinguished by not being overly professionalised or removed from the life of the community but has a strong ethos of inclusion and development where each member, whether volunteer or scholar, builds up each other musically, socially and pastorally.

Through the Finch Street Cultural Fund up to 8 Choral Scholars are supported at Saint John's Finch Street each year. They are young and developing artists who have often had no experience singing sacred music in the Anglican tradition in the context of worship. Scholars are expected to attend on average nine rehearsals each month and sing the weekly Choral Eucharist and Choral Evensong once a month. They also sing for a number of special services, including an All Souls' Requiem and Nine Lessons & Carols as well as a rich programme throughout Holy Week and Easter and of course the iconic Christmas Midnight Mass.

The Choral Scholars are fully members of the parish community and contribute to its wider life, including singing for our local Aged Care Homes, fetes and fundraisers, and individually are able to become involved in a number of social outreach opportunities in the parish.

WHAT ELSE?

There are rich resources at Saint John's Finch Street to promote music and culture - whether our magnificent organ, world-class Kawai grand piano, stunning acoustic, flexible and generously proportioned space, all in the beautiful atmosphere of our heritage church featuring century-old stained-glass windows and furnishings.

Do you have an idea of something you'd like to see happening to further enhance our culture? Let us know!
