IN NEED IN OUR LOCAL COMMUNITY

LOVED YOU!

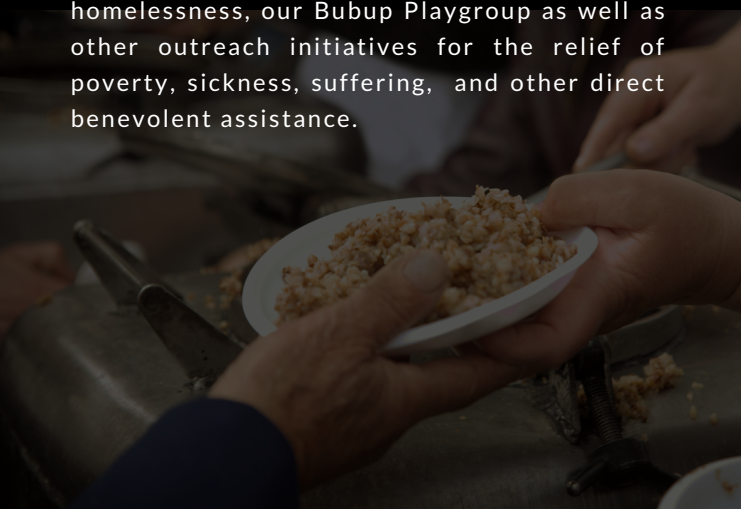

WHO ARE WE ?

The Finch Street Community Fund was established in 2020 by the Anglican Parish of Saint John's Finch Street with Saint Agnes' Glen Huntly as a response to the immediate and long-term economic impact of the Coronavirus Pandemic with an initial priority to receive donations and distribute material and financial aid to those in distress or hardship with a preference for those in our local community. It has so far raised over \$22,000 and directly assisted around 55 individuals and families through cash grants, payment of bills and services and other in-kind support.

Going forward, however, the Fund is able to have a wider application as a means to resource our ongoing outreach projects such as the St Jack's Place lunches each Friday at Saint John's Finch Street, the Saint Agnes' Winter Shelter for those experiencing homelessness, our Bubup Playgroup as well as other outreach initiatives for the relief of poverty, sickness, suffering, and other direct benevolent assistance.

ONGOING PROJECTS

Saint Jack's Place

Saint Jack's provides lunch and fellowship for the homeless and vulnerable in our community. In partnership with OzHarvest, and Cabrini Hospital St Jack's is entirely staffed by volunteers and supported by donations. St Jack's also offers free services and referrals for those facing legal, financial and health difficulties. Our guests enjoy coming each week as they feel they are in a safe environment to catch up and meet others in the broader community. St Jack's operates without fail every Friday of the year, except Good Friday, including provision of a full Christmas lunch with all the trimmings and seasonal hampers to take away. During the Coronavirus Pandemic Saint Jack's was one key ministry which was able to continue, providing much needed support, sustenance and supplies to those most in hardship in our local community.

Saint Agnes' Winter Shelter

The Saint Agnes' Winter Shelter, as part of the Glen Eira Winter Shelter programme, contributes toward providing dinner, overnight accommodation in churches and breakfast 7 nights a week during the winter months for those experiencing homelessness.

Bubup Playgroup

Bubup provides a low-cost and subsidised weekly Playgroup for all families in our local community who may benefit from coming together to build connections, support the development of young children, play safely with peers, make new friends, and share songs and fellowship around a shared meal. Bubup is staffed by one paid co-ordinator and a team of volunteers, all families are welcome and a number are referred from support services.
